Policies & Disclaimers

- I understand that all tuition and registration fees are non-refundable. Accounts more than 2 months overdue will result in a student being removed from class.
- I understand that during the instruction of dance class the occasion may arise that an instructor must have physical contact with my child to reposition arms, legs, feet, head, etc. in order to avoid injury.
- Attendance is important for each student to improve and grow as a dancer. Many absences will result in the student being placed in a lower level class. Refunds will not be issued for missed classes. Please call and leave a message or email if you will be absent from class. Missed classes must be made up during the current session. They can be made up during other classes of the same or lower level at the discretion of the instructor.
- I agree to keep my email address up to date. NVDA does not necessarily follow the public school snow days. In case of inclement weather an email will be sent. If classes are cancelled, make up classes will be scheduled.
- Parents and guardians will not be permitted to enter the classroom with their children, as it proves to be distracting to the students. However, we often leave the door open so that you can peek at your child's progress.
- Students should arrive 5 to 10 minutes early for their class so that they can be ready at the class start time. Students may not enter class late or leave early without permission from their instructor. Please do not open the studio door if music is playing. Students should be picked up at the end of their class time.
- Remember that our parking lot is shared with other businesses. Please supervise your children outside and do not allow your children to play in the parking lot. Also, please do not allow your children to play with the stones and rocks located around the outside of the buildings.
- Students are expected to be respectful of the studios and waiting areas and responsible for its tidiness. Students are also expected to be respectful of their instructors and fellow students.
- Nashoba Valley Dance Academy's focus is technique. However, performing is a valuable part of a dancer's education. Therefore, each year the students of Nashoba Valley Dance Academy will present a year-end performance. This is optional and students are not required to participate in the performance in order to remain in class. Participation in the performance will require the purchase of a costume (usually ranges in price from \$50 to \$100) and a \$20, \$40 or \$60 rehearsal fee. I agree that if my child chooses to participate in the recital that they will attend all required classes and rehearsals.
- We ask that dancers, parents and siblings drink only water while at NVDA. Please no coffee, milk, soda, sports drinks or juices of any kind. If a snack is necessary, we ask that you choose something like Goldfish or pretzels that will not cause damage to our space. Please no chewing gum in the building.
- I give permission for NVDA to take photos of my child for promotional purposes.

I, the undersigned, have read this disclaimer and understand all of its terms.
